

## Federation Motorfest 2025

Federation Motorfest for 2025 is here and welcome to this year's events. The events have been organised by some of South Australia's great historic car clubs and will certainly be of interest to our Interstate, Country and local enthusiasts. Again the various day outings will take you to many well-known, and some not so well known places of interest. For this Federation Motorfest we go to destinations which range from the Barossa Valley, the Adelaide Hills to the Fleurieu showcasing so much of our great state of South Australia. We trust that as many of you as possible will take advantage of this wonderful programme and avail yourselves to as many Federation Motorfest events as possible. Please be aware that you do not require a specific vehicle to enter any of these events. You may use any vehicle you wish to, including your current model family car.

Happy Motoring.  
Federation Motorfest
